Warren and Tim
enjoying a calm lake on
Sunday Morning.

It has been a good year
to be at the lake with all
the hot weather.

But think SNOW...the
lake needs to be
replenished.

UPDATES

- ✓ Welcome to Paul Savage as our newest board member and Vice President. Thank you for participating!
- ✓ Minutes for the annual spring meeting are enclosed with the Fall 2015 newsletter. Copies can be found on the Shore Acres Estates website.
- ✓ Fireworks on July 4th were cancelled due to the severe fire danger. Overall, it was a mostly quiet weekend.
- ✓ Please be courteous to other property owners by reminding your guests to park on or in front of your own properties. It is a safety hazard if roads are not negotiable by emergency vehicles. If parking is scarce, take a moment to ask your neighbors if it is ok to park in front of their homes.
- ✓ Please drive SLOW down Robert Street! Thank you to Bruce Wendleburg, Anna Rogers, Katie Valenta and Tina Heimbigner for the bright neon signs!
